Smarthinking online tutoring is available for all Cabarrus College of Health Science students!

Smarthinking online tutoring service, which is available 24/7 and is complimentary for all students at Cabarrus is a great option for students who need extra assistance with their course content or writing (across the curriculum).

Sample tutoring sessions and subject areas offered are listed online at: www.smarthinking.com

You can direct your students to access this resource from your course in Canvas Contact Sherry Hamilton, Coordinator, Student Success at: sherry.hamilton@carolinashealthcare.org or 704-403-1611 for more information.

94% of Cabarrus students who used Smarthinking Online Tutoring in the last 12 months would recommend it to a friend.

Cabarrus Student Feedback

“I found the quick turn around and the suggestions to be very helpful. Thank you.”
